PROGRAMME STRUCTURE

DURATION

The internship programme will run for a minimum of 3 months and maximum of 6 months.

ROTATIONAL ASSIGNMENTS:

Interns may undergo rotational assignments, allowing them to explore different functions or departments within the organization. This fosters a holistic understanding of organizational dynamics.

PROJECT-BASED LEARNING

Interns will engage in hands-on projects relevant to their career interests. These projects should be structured to provide practical experience while contributing to organizational objectives.

MENTORSHIP

Each intern will be assigned a mentor, preferably a seasoned professional within the organization. Mentors will provide guidance, feedback, and support throughout the internship journey.

TRAINING AND DEVELOPMENT

Interns will have access to capacity building sessions aimed at enhancing their technical skills, soft skills, and industry knowledge.
